Re: Elsa (Skinner) Morgan  
Unlicensed Landfill Operations

Dear Mr. Campbell:

Please be advised that I represent Ms. Elsa Skinner Morgan relative to the above-mentioned matter.

Ms. Morgan contacted me concerning your letter dated April 25, 1989, and I have discussed this matter with Mr. Blevins of the Butler County Health Department.

My client, Ms. Morgan, is unsure as to what solid waste was being deposited in her demolition site.

She had previously sent a letter, as well as a notice to all of the people that were dumping demolition material into the site, advising them that they would be allowed to dump absolutely nothing other than demolition material into the site.

At this time, I would ask that you contact me so that we may discuss this matter.

Sincerely,

*Timothy R. Evans/cmh*
